SUMMER
IT'S OFFICIALLY
SUMMER

Friendly reminder, if you're planning on hitting the road with your trailer this summer, don't forget your **routine maintenance checklist!**

- Check tire pressure
- Check hydraulic fluid levels
- Torque lug nuts every 50 miles
- Secure safety chains
- Secure ball hitch coupler

For a list of other maintenance tasks to perform on your trailer this summer, check out our **[blog post](#)**.

WHAT'S NEW?

GEN 3 MODEL

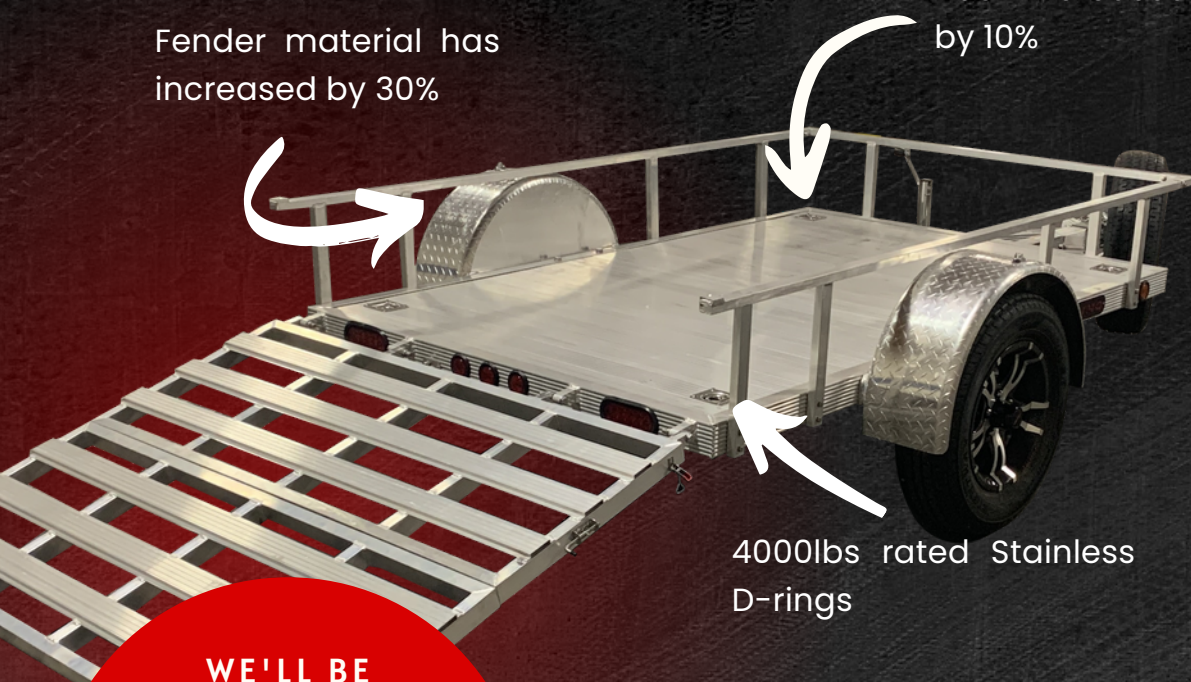

Primo Trailer has made improvements to our aluminum utility trailers and we are proud to announce our Gen 3 Model.

We've incorporated better manufacturing processes and quality control measures to ensure our trailers are in the best condition before reaching our customers.

Fender material has increased by 30%

Floor thickness has increased by 10%

4000lbs rated Stainless D-rings

WE'LL BE
ATTENDING THE
NATDA TRAILER
SHOW THIS AUGUST
IN NASHVILLE, TN!
COME SEE US
THERE!

Additionally, all Gen 3 models are power washed, acid washed, and sprayed with an anti-oxidation coating. They also come packaged in a cling wrap for added protection.
